# RAYMOND WILL MARK CORONATION

## With A Grand Ball

### Mrs. Dainard Wins Hosp. Auxiliary Quilt

The monthly meeting of the Raymond Hospital Auxiliary was held on May 20th at the Municipal Hospital. Many new members enrolled on both the active and inactive list.

Much business was discussed such as buying new bed tables and a new sewing machine for mending. Lunch was served by the hostesses Norma Meldrum and Doris Zobel.

New members are asked to join, if unable to do an active part then we will be pleased to have them as inactive members. Fee for one year is \$1.00.

The Bazaar and Luncheon was a financial success clearing \$318.97. The quilt was won by Mrs. Lenora Dainard. The Hospital Auxiliary wish to thank those who donated and supported this project.

Please join the Auxiliary, the Hospital needs your support.

Mr. and Mrs. Gerry Melchin joined the throng of holidayers in Waterton on Monday.

A gay evening was spent playing Rook recently when Mr. and Mrs. Gerry Gibb were hosts to a number of friends. The lovely lunch and decorations carried out the Coronation theme.

The evening of Rook was enjoyed by the Godfrey Holmes, Lyman Jacobs, Jay Gibbs, Milo Vances, Orvin Hickens, Kay Redds, Roy Woolleys, Fritz Dahls, Harris Walkers and John Allen with prizes to Dorothy and Godfrey for High Score and Martha, the Consolation.

### New Golden Gleaners Honored

Three new Golden Gleaners were welcomed recently when the annual Golden Gleaner Banquet was held in the Stake Relief Society Room, as well as the new Honorary Golden Gleaner, Mrs. Retta Walton.

After the delicious banquet served to forty-four Gleaners at tables decorated with green and gold streamers, golden pussy willows and Golden Gleaner place cards, Gladys Holt led the group in community singing. A Toast to the new Golden Gleaners was proposed by Melba Mehew with the Reply by Betty Evans, on behalf of Mary Margaret Blumell and Della Blumell. Fanny Walker proposed the Toast to all Gleaners to which Mona Palmer replied.

Dora King, representing the Stake Board gave an interesting talk, after which Mona Palmer rendered a vocal solo, followed by a Reading by Ruth Weinheimer. Evelyn Melchin's vocal solo was followed by a talk 'Why I'm Glad To Be a Golden Gleaner' by Alice Faye Rasmussen, after which a piano solo by Dorothy Bradshaw was enjoyed, concluding the program.

Business of the evening was the election of new officers with Jolayne Hill nominated for the position of President, Evelyn Melchin, Vice President and Virginia Paxman, Secretary.

Thanks were extended to last year's officers Bernice Dahl, Dorothy Bowden Margaret Leishman and Norma Smith for the success of the enjoyable evening.

### BORN TO

Mrs. Elizabeth Karkaveza, a girl on May 22nd.

Dr. and Mrs. G. H. Gibb of Medicine Hat are the proud parents of a daughter born on May 22nd.

Ted Wagstaff would like to extend his sincere thanks to the nurses, doctors and staff at the local hospital for the kind care and attention he received while a patient there. Also to his many friends who so kindly visited him.

### United Church W. A. Plan June Pantry Sale

The regular May meeting of the United Church W. A. was held at the home of Mrs. Fran Lund with 12 members and one visitor present.

The meeting opened with the President Mrs. Dainard in the Chair and Mrs. Woolford in charge of devotionals. Following the singing of "God Save The Queen" the members were treated to a most interesting message "Conquering Ourselves". The Lord's Prayer repeated in unison brought the devotional period to a close.

During the ensuing business portion of the meeting a sum of money was voted to the Church Building Fund. A Pantry Sale was also discussed but a motion carried unanimously that each member donate money for May and baking for a sale to be held in June.

The next meeting of this quarter will be held at the home of Mrs. Kay Swedish on Thursday June 4th with Mrs. Lund in charge of devotionals. We ask for a full attendance at this meeting so that all business may be completed prior to closing for the holiday season.

Mr. and Mrs. George Swedish, Mr. and Mrs. Leonard Watson and Mrs. Roy Dahl recently spent an interesting week-end in Great Falls.

### Marolyn Taylor Chosen To Head BYU Group

Marolyn Taylor has received the honor of being chosen as President of the White Key organization of the BYU. This is a select group of students who attain of high average standing at the University.

She was formerly active in the Y Calcares, served as junior class vice-president, and is a well known campus musician.

This honor came to Marolyn even though she was unable to be present at the meeting.

Her twin sister, Carolyn is also a member of the organization.

The Ladies Auxiliary of the Canadian Legion here are sponsoring a Rose Melchin, the Legion; Rose Coronation Ball on June 2nd at the Opera House. Music for this Ball will be supplied by Jack Patey and his orchestra who will play for both modern and old-time dancing.

A special feature has been arranged to cap the festivities marking the Coronation of our Queen Elizabeth II, in the form of a coronation for the Queen of the Ball. Each Service Club and several other organizations are sponsoring candidates for this honor. So far those chosen are Margaret Taylor representing the Rotary Club; Elizabeth King, the Lions Club; Eva Wilde representing the Curling Club, Rita Rasmussen, the Chamber of Commerce; Janice Rudd, the Legion; Rose Gravabac, the Catholic Organization Opera House. Music for this Ball will be supplied by Jack Patey and his orchestra who will play for both modern and old-time dancing.

### The Candidates For Queen

#### Mrs. Rose Melchin

Our Legion Queen Rose came to Raymond from Kitchener, Ontario in 1926. They brought two baby boys that have grown into very fine respected men in our town.

In the years that Rose has lived in Raymond she has always been active in doing good. She has always had a class of young people to teach and has had a way of gaining their love and respect.

Rose's son Jerry served in the Air Force in World War 2 making her an eligible member in our Auxiliary. We are very proud of Rose and hope you will all support our Queen.

#### Mrs. Margaret Taylor

The Rotary Club of Raymond is proud to place before the public the name of Margaret Taylor as its candidate for the title "Queen of the Ball" on June 2nd. Margaret was born in Lethbridge but has lived most of her life here in the Sugar City. She received her education here, at the BYU and at the University of Utah. In 1948 she married Dr. Harlan Taylor and moved to Texas where they lived for a year before returning to make their home here.

Mrs. Taylor has been active in LDS Church work all her life and is keenly interested in young people.

Dr. and Mrs. Taylor have one son, Richard.

In placing Margaret's name in candidacy for this honor the Rotary Club is sure that it has chosen wisely and well and asks for your support in making her "Queen of the Ball".

"Our Queen"

Mrs. Mary Rodeback and Mrs. Norma Meldrum were cohostesses at the former's home for the regular meeting of the Reader's Progress Club. However, instead of the usual Book Review Mrs. Mary Rasmussen very capably demonstrated the making of Colport flowers, after which a delightful lunch was served.

Mrs. Howell of the Hospital Staff was a special guest.

Mr. and Mrs. Stan Parker (nee Jean McLean) are announcing the birth of a son born in Rosemary on Wednesday May 13th.

Mr. and Mrs. Darwin Price were week-end visitors at the home of Mr. and Mrs. Hamp Witbeck.

Gen Hawkins spent a few days in Great Falls last week visiting her sister and her husband Mr. and Mrs. Sam Sotter. Penny Vincent and Heather accompanied Mrs. Hawkins.

On Monday Poly motored down to bring her back after he also visited there briefly.

A polling place has been set up at Thompson Furniture Store with votes being sold at one cent each. Each ticket to the Ball will carry a value of ten votes. Tickets are now on sale and are priced at fifty cents each.

The proceeds from the Ball are being donated by the Legion Ladies to the Memorial Library Building Fund. It is a doubly good reason for each and every citizen supporting this very worthwhile venture.

#### Mrs. Rita Rasmussen

Coronation Day will be a very memorable day throughout Canada and the British Commonwealth. Here in Raymond we are celebrating by having a Coronation Dance, the proceeds of which will go to that very worthy project the new Library.

The Chamber of Commerce is very happy to tell you that our Queen Candidate on this exciting occasion is Rita Rasmussen (stop drooling). We think she is an ideal choice for this occasion and we know you will agree. Rita was born (not very long ago) in Raymond. Since that time she has taken her education in Hillspring and Salt Lake. Subsequently she married Gordon Rasmussen, one of Raymond's leading business men and a Chamber of Commerce Member. She is the mother of three fine children.

We could go on and give you a lot of intricate statistics on height, weight color of eyes, color of hair, etc., etc., they would prove very interesting. But let's suffice by saying be sure to be to the Coronation Ball on June 2nd and spend your nickels casting votes for the Chamber of Commerce Candidate "Rita"

#### Mrs. Elizabeth King

In commemorating Coronation Day the Raymond Lions Club proudly presents Mrs. L. D. King as its' candidate. We think she represents the occasion very well and possesses the qualities of a well respected leader.

Mrs. King and 'L. D.' came to Canada in 1901 from the U. S. and since that time, she has been a steadfast worker and a supporter of all worthy enterprises within our community. Besides being an outstanding citizen she has taken time to do a good job of raising a family of seven.

Her husband was a charter member of the Raymond Lions Club and is now an Honorary Life Member.

We are sure you will agree that the Lions have made a popular choice in Elizabeth King.

Gilbert N. Wells, local International Dealer, has been advised that his company have announced a reduction in the price of the new R-line of heavy duty trucks. Mr. Wells extends an invitation to all interested to call at his office for more details.

### Harry Stevens MBE, ED Appointed Paymaster

Major H Hartland Stevens M.B.E., ED has been appointed a Paymaster attached to 18th Fld Regt RCA and 33rd Fld Park Squadron RCE at Lethbridge. He was previously a Paymaster at 116 Manning Depot, Edmonton. (R.F.). Major Stevens is manager of the local Treasury Branch.

If any men between the ages of 17½ and 40 would be interested in joining the 18th Field Regiment RCA Reserve Army, please contact Major H. Hartland Stevens.

Mr. and Mrs. C. A. Shibley of London, Ont. are visiting here at the home of their daughter and son-in-law Mr. and Mrs. W. J. Clark.

Mr. and Mrs. Joe Strong and family were among those enjoying the holiday weekend in Great Falls from the time they Registered at the Rainbow Hotel until the last tour was completed. The orchid corsages presented to the ladies made a big hit with the fairer sex but the smorgasborg and dance was popular with most every one, as were the tours around the city.

### Taylor Stake Dramatic Group Honored

The Taylor Stake, and the Drama Leaders in particular, have received distinct honor in being asked to present a one act play "The Exodus" at the MIA Conference to be held in Salt Lake, during June, the MIA authorities having heard of the high calibre of the plays put on in this Stake.

Mrs. Grace Allen, Jim Heninger, Geraldine Palmer, John Smith from Raymond, Doug Harker and Franklin Smith from Magrath and Ted Nelson and Henry Perritt of Stirling are busy rehearsing every available evening in preparation of June 11th. Their Director is very pleased indeed with the progress made so far, as well as the co-operation received.

A few hours in Waterton were enjoyed by the Rayo Woolfs on Victoria Day.

Mr. and Mrs. Leonard Harding of Taber were week-end visitors at the home of Alice's parents Mr. and Mrs. Myron Holmes.

Among the holidayers in Waterton over the holiday were Bill and Marva Nalder and Jolayne Hill.

Mr. and Mrs. Robert Spackman of Edmonton and Mr. and Mrs. Melvin Bursley of Cut Bank spent the holiday week-end with the E. L. Spackman's.

Mrs. E. L. Spackman has returned from a motoring trip to Salt Lake to meet Ron who had enjoyed a three month tour after completing his mission in Australia. Sham Stevens who has fulfilled a mission in New Zealand also returned with them.

Mrs. Spackman was accompanied on the trip by her daughter Mrs. Nora Bursley of Cut Bank.

Mr. and Mrs. Clarence Bowden spent the holiday week-end in Great Falls where the Canadians were given a royal welcome.

Elder Archie Bennett of the Sunday School Board of Salt Lake who was up last week for Sunday School Convention, gave the concluding Social Science lesson at the Fourth Ward Relief Society. Members from the other Wards were also present to hear Elder Bennett who is the author of the outline used in these lessons.

Mr. and Mrs. Ken Sone were hosts to their Study Class Sunday evening at which time the group enjoyed listening to the recording of the Conference speakers at Salt Lake.

Special guests were the Bruce Galbraiths and Golden Snobs.

A lovely lunch concluded the evening.

Mr and Mrs. Dave Bohnet of Irven spent the holiday week-end at the home of his brother and wife, Mr. and Mrs. Paul Bohnet.

## Music Festival Winners

Although the Music Festival held in Lethbridge has gone down in the records as one of the most successful to date, we have been unable, due to circumstances beyond our control, to bring to our readers an account of it as it concerned Raymond participants.

We beg the indulgence of local citizens and now offer our congratulations to those who entered the Festival and brought distinction to our town by their good works. As always, in things musical, much credit goes to Velma Itedd for the great deal of time and effort she spends with the participants.

**CANADIAN GARDEN SERVICE**  
 by Gordon Lindsay Smith  
 Keeping Ahead

There are all sorts of special wrinkles that experienced gardeners employ for keeping ahead and saving both time and labor. One of these is the soaking of seed before planting, especially that of reasonable size, say that of sweet peas or bigger. By soaking for several hours in water immediately previous to planting, germination is hastened and growth speeded by several days, perhaps a week. With the earliest potatoes, sometimes it is a good thing to allow a few of the tubers to sprout in warm sunshine in a window. Then we plant very carefully with the sprouts undamaged and pointing upwards. With carrots and beets it will help to prepare the rows with special care, digging out the poor or hard soil to a depth of six inches or a foot, and filling with rich soil with plenty of humus and manure, and all pressed down firmly. In such the seeds will germinate quickly. Because this special soil is very open there will be less need for thinning and the roots will grow straight.

With melons, cucumbers and squash we usually sow in specially rich hills with some old rotten manure if we can find it. We may also cover for

CRESTLINE VICTORIA

\*Fordomatic Drive, Overdrive and white sidewall tires optional at extra cost.

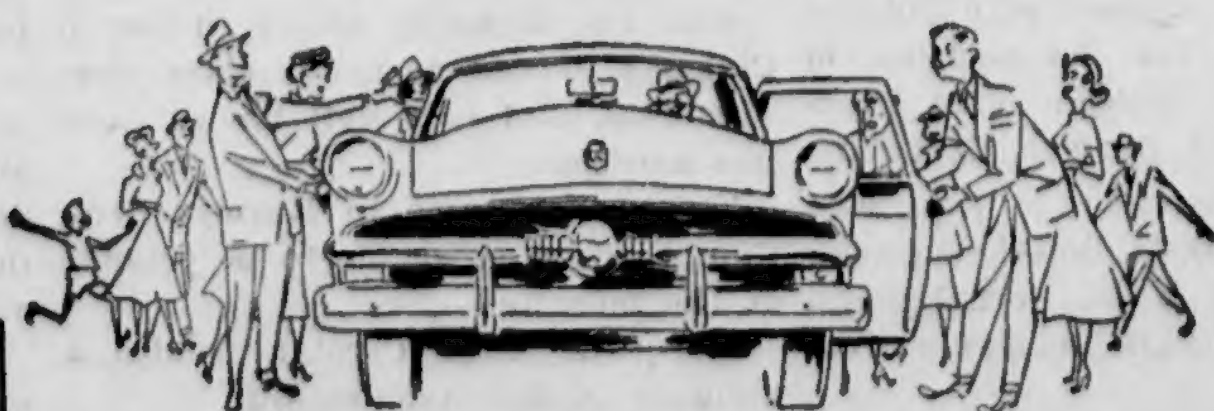

The best way to measure Ford's dollar-for-dollar value is to compare it feature-for-feature with other cars that cost as much or more. We think you'll be surprised at what you'll find. For example, you'll discover that Ford's Strato-Star 110-Hp. V-8 engine is the kind of engine you've always associated with the most expensive cars... that it delivers the kind of power and smoothness you never hoped to find in a car that's priced as low as Ford. When you try out Ford's relaxing "Wonder Ride" you'll sense that "big car" feeling that's so satisfying to a driver. When you take into account Ford's choice of Fordomatic\*, Overdrive\* or Synchro-Silent transmission—and realize how many attractive extra features Ford includes... well, then you'll understand why more and more motorists are making Ford their new first choice!

a few weeks with glass or some of the special paper caps to protect from late frost or cool nights. With all bedding plants, it is a good plan to pinch back after transplanting and especially to remove any flowers or buds. This pinching encourages stouter and healthier growth and in the end we get much harder and bigger blooms. In transplanting, too, it will help against shock, if we give a pinch of chemical fertilizer placed close to but not touching the roots.

### Maximum Production

When the garden is small and one wants to make the most of it, there are various ways of growing two crops or practically so on the same piece of land. Of course in this intensive sort of vegetable gardening, extra fertilizer is essential and the soil must be well worked and rich. In double cropping we alternate rows of an early kind with a later one, for instance, radish and carrots or lettuce and beans, or peas and potatoes. We also have less space than normal between the rows, if necessary 12 or 15 inches. The early stuff, of course, comes on quickly and is used up before the later maturing vegetables require full room. Another practice is to follow the harvesting of the first vegetables like the peas lettuce, spinach, radish, early onions, etc with another sowing of the same or something else that will be ready say in August or September. Then there are certain crops like squash, pumpkins that we can plant in the outside rows of corn, or we can have staked tomatoes along the end of any vegetable row and cucumbers along the fence.

With flowers, too, it is possible to get double crops, in fact nearly all gardeners do, and some have more. Among the spring flowering bulbs they set out well started petunias, asters, zinnias, marigolds, etc. These come into bloom within a short time after the last tulips, and in some cases the first of these are followed again by later set out plants or by annuals from seeds such as nasturtiums, alyssum, cosmos, etc. By careful spacing and planning and by using both perennials and annuals it is possible in most parts of Canada to have some bloom in the garden from the time of the crocuses in March or April until the Chrysanthemums in October.

### Weeding De Luxe

The old back-breaking job of hand weeding has practically disappeared, or it should have. All that is necessary now is to spray with one of the chemical weed killers. A couple of applications about a month apart (to each any weeds may have sprouted after the first dose) will keep a lawn practically weed free.

For driveways and paths these sprays can also be used and if we wish to stop all growth, grass as well as weeds, we can use other materials like special chemicals, rock salt or used engine oil. Some of these things will keep down the dust also and protect from frost.

The Second Ward Primary Officers and Teachers met at the home of Mrs. Marie Strong last week for the final meeting of the season. Mrs. Helen Atwood gave the lesson on Music in Our Lives, followed by the serving of a tasty lunch.

**How long does  
an oil well last?**

The average well goes dry in 20 to 30 years. To keep your car rolling and  
your home warm, a new well must be found to take its place. That's why  
the search for oil never ends; why Imperial, for instance, spent almost \$50  
millions to find and develop new oil in western Canada last year.

Oil has become one of Canada's important industries.  
How many of these questions about it can you answer?

Which of the following contain petroleum  
lipstick? binder twine? printing ink? insect spray?

Oil is a part of all the products named and of  
hundreds of others which contribute to our  
everyday living.

In 1946 Canada produced less than 10% of  
the oil she used. How much of her needs does  
she produce now

18%? 40%? 55%?

About 40%—and we use twice as much as in  
1946. Today's production would meet 80%  
of the demand at that time.

How many service stations would you say  
Imperial operates across Canada

19,500? 10,000? 0?

None. Approximately 10,000 stations carry  
the Imperial Esso sign, but they are operated  
by independent dealers, each in business for  
himself.

To what amount, would you say, have the  
people of Alberta benefited through oil  
industry payments to the provincial govern-  
ment for royalties, leases and bonuses.

\$25 millions? \$175 millions? \$83 millions?

Since the discovery of Leduc in 1947, oil  
royalty, lease and bonus payments to the  
government total more than \$175 millions.

Opinion surveys show that most Canadians  
believe a business is entitled to a profit of 15¢  
on a dollar of revenue. Last year Imperial  
earned

7½¢? 11¢? 19¢?

In 1952 Imperial earned a profit of 7½¢ of  
each dollar received. Of this, 4¢ was paid to  
shareholders; the remaining 3½¢ was used to  
replace worn-out equipment and to make sure  
we can supply your future oil needs!
